a The above information covers building units with Stamp Duty paid in the reference quarter, while data of the Financial Services Bureau refers to residential units with application for payment of Stamp Duty made in the reference quarter; hence, direct comparison of data is inappropriate.

b Including residential units that were exempt from the payment of Stamp Duty.

c For consummation of the information of real estate prices, starting from the first quarter of 2008, in addition to building units transacted as per record of stamp duty, units involving payment of 0.5% of stamp duty (intermediate transfer of title) and units scheduled for value re-evaluation are also included in the calculation.
