PREFACE

This pamphlet forms part of The Nomenclature for the External Trade of Macao / Harmonized System, 6th Revision (NCEM/HS, 6th Rev.). It contains the Correlation Table of the revised codes between NCEM/HS, 6th Rev. (2017) and NCEM/HS, 5th Rev. (2012). The table reveals the coherence and exchangeability between the past and revised codes. It is mainly divided into two sections. The first section uses the 6th Revision as the base for comparison with the corresponding codes in the 5th Revision, and vice versa in the latter section.
